MISSION VIEJO HIGH SCHOOL DIABLO WATER POLO TEAM POLICIES – PLAYING TIME

Coaches have the opportunity to evaluate the variance of talent and ability among the team during many hours of practice. Often the coach's judgment differs from the opinions held by the parents. In these instances the coach's decision **MUST BE SUPPORTED!**

Confrontations with the coach, negative attitudes or comments toward the coach, or letters of complaint could result in the suspension or elimination of the player from the program. Parents should be supportive of the TEAM in both word and action. If there are player concerns parents should encourage the player to set up a meeting between the player and her coach to discuss the issue(s).

Our hope is to establish an open line of communication between the player and her coach.
